THE BENTLEY'S

Tribute to the Pop-Rock Hits
of the '90s and '00s!

OFFICIAL PROMO KIT

Greetings!

Thanks for checkin' us out!

We 're The Bentley's - a Tribute to the BEST '90/00s Pop-Rock Hits.
Yep, we're a "rock" band, but *we're never too "heavy"* because we know how to be FUN and DANCEABLE while ROCKIN' *at the same time* - and *that's* why we connect with *everyone* in the crowd. It's a thin tightrope to walk... good thing we've got *great balance!*

artists we pay **TRIBUTE**to

We believe audiences want to hear their favorite artist's songs played as close to the original recordings as possible – so we “COPY” rather than “cover”. It's not easy to sound like 30 different bands in one night, but that's exactly what we do – *without* running tracks.

Indoors or outdoors, The Bentley's performances are always dynamic and engaging – whether it's toe-tapable, sing-a-long-able or downright danceable, our playlist ALWAYS gets the crowd goin'!

what to Expect

We take our responsibility to the venues that hire us VERY seriously – our job is to bring folks in and keep them there – and EVERYTHING we do serves that purpose!

LOTS OF ENERGY

The Bentley's playlist consists entirely of fun, upbeat and dynamic songs – we don't play anything that's too slow or too "heavy".

LOTS OF TALENT

The Bentley's is a very experienced and polished band – we take great pride in the quality of our musicianship and how we sound live.

LOTS OF FUN

Let's face it – "dead air" sucks during a live performance! That's why a full show by The Bentley's features at least 45 songs.
